

Declaration of decontamination Important note

When returning devices, it is essential to enclose the completed decontamination declaration (separately for each device). This declaration must always be attached to the outside of the shipment. If no declaration of decontamination is available upon delivery of the goods, the package will remain unopened in our warehouse until the document is received. If applicable: The rent will be charged accordingly during this time. The decontamination declaration must be signed by the person who conducted the decontamination.

Serial number: _____ Palas model: _____ Order number: _____

Type of use

- ☐ The device was used as intended according to the manual.
- ☐ The device is free from substances hazardous to health.
- ☐ The device has been contaminated. In this case, please specify the corresponding substances (trade name, CAS number, safety data sheet):
